

## GOLDSCHMIDT DAUGHTERS

### Katherine Cabernet Sauvignon

winemaker video

- 100% Cabernet Sauvignon - many wineries blend their wines
- The wine is named after winemaker Nick Goldschmidt's middle daughter Katherine.
- Our SE facing vineyard creates powerful wines with great acidity. Look for some spicy components with dark fruits like plum, red cherry and blueberry
- We're not a grocery store wine. Our small production Cab is made from low yielding vineyards that produce small clusters of berries for richness and intensity
- Nick Goldschmidt has 30 years experience making Cabernet from Alexander Valley
