### Goldschmidt Vineyards

Former Simi winemaker Nick Goldschmidt specializes in small production wines primarily from Sonoma's Alexander Valley. A native New Zealander, Nick also makes outstanding single vineyard Sauvignon Blanc from Marlborough. Cabernet Sauvignon is really Nick's forte, and his portfolio includes several vineyards from both Napa and Sonoma. Pay special attention to Nick's single vineyard, reserve wines from Oakville and Alexander Valley as they offer exceptional value.

### Saint Helena Winery

Founded in the year 2000, Saint Helena Winery was created to promote estate grown Cabernet Sauvignon harvested from a single vineyard (13.5 acres) in north Napa Valley. Consulting Winemaker Aaron Pott meticulously creates wines with knowledge and respect. No shortcuts are taken from farming, to sorting, to using only the finest French oak. Saint Helena Winery ships to a small handful of states outside of California, so it's a privilege to work with this winery.

### Bryn Mawr Vineyards

Perched high on the western crest of the Eola-Amity Hills near Salem, Oregon is Bryn Mawr, a sustainable 30-acre estate vineyard that pushes the upper limits of Willamette Valley viticulture. Powerful maritime winds pouring through the Van Duzer Corridor marry with shallow volcanic soils to create distinctive wines. Our vineyards are located on one of the steepest, rockiest, and windiest sites in the Willamette Valley. We have planted a broad array of clones and varietals that provide a rich palate of estate wines.

### Hammeken Cellars

Hammeken began bringing in their boutique wines to the US in 2014. They produce a wide range of wines from 18 different appellations across Spain. What distinguishes this portfolio from many other Spanish wines is the modern style. Hammeken focuses on clean flavors, purity of fruit, cutting edge appellations, and superb labeling. In recent vintages, we have added several tiny production, reserve wines to the line-up.

### Bodegas TrenzA

Bodegas TrenzA is a collaboration of David & Jonas Tofterup. Each has 20+ years experience making global wines with an emphasis on Spain. David was twice named Winemaker of the Year in Spain (2016, 2018), and Jonas achieved the Master of Wine degree in the spring of 2019. In addition to producing their own wines, Bodegas TrenzA will facilitate the export of other respected Spanish brands to the US.

### Brand Italia

Brand Italia is the importer for several Italian brands, spanning multiple regions of Italy. Among the labels imported by Brand Italia are Ricossa (Piedmont), Jacopo Biondi Santi (Tuscany), Ammasso (Sicily), Truffle Dog (Piedmont) and Impera (Rome). The wines offer a variety of styles and price points, spanning traditional styles and methods to more recent styles and varietals.
